

KOOZIE Six Pack Cooler Partnership

Marquette Golf Club is a private – public 36 hole golf course with clubhouse. Greywalls is ranked #2 in Michigan and #66 nationwide by Golfweek Magazine. We have roughly 500 members and our outside play is significant with over 20,000 rounds of golf played on each course annually. This combination of members and over 40,000 total rounds of golf has created the “busiest” golf complex for hundreds of miles! With this in mind, we are offering advertising space on a highly visible “necessity” for golf – six pack KOOZIE coolers! What a “cool” way to market your business!

Please fill out form completely before returning to MGC
